

## The Four Seasons Bed

Customize your mattress with one of **three Signature Toppers** to ensure a sleep experience that's exactly right for you.

A Signature Topper, which offers a mid-range of firmness, is included with your purchase of the full set, which best replicates the Four Seasons sleep experience. Signature Firm or Signature Plush Toppers are available for an additional fee (see pricing chart below). All Toppers zip on quickly and easily, in just one minute. They also extend the life of the mattress to 12 years, versus the industry standard of 7 to 10 years.
